October 15 was truly a night to remember. El Camino's 1982 Homecoming Court made their rounds around Simcox Field in shining corvettes. At the same time a skydiver began his descent after jumping from a plane above. He had in his possession, an envelope with the results of the homecoming election. The court assembled themselves on the platform as eyes were fixed on the slowly descending skydiver. As soon as he hit the designated target, the envelope was opened. Everybody watched as the 1981 homecoming queen Sharra Lambert crowned the new queen Debbie Duran. The court was Lora Sanchez, Christine Alberts, Carolynne Schloeder and Susan Carpenter.

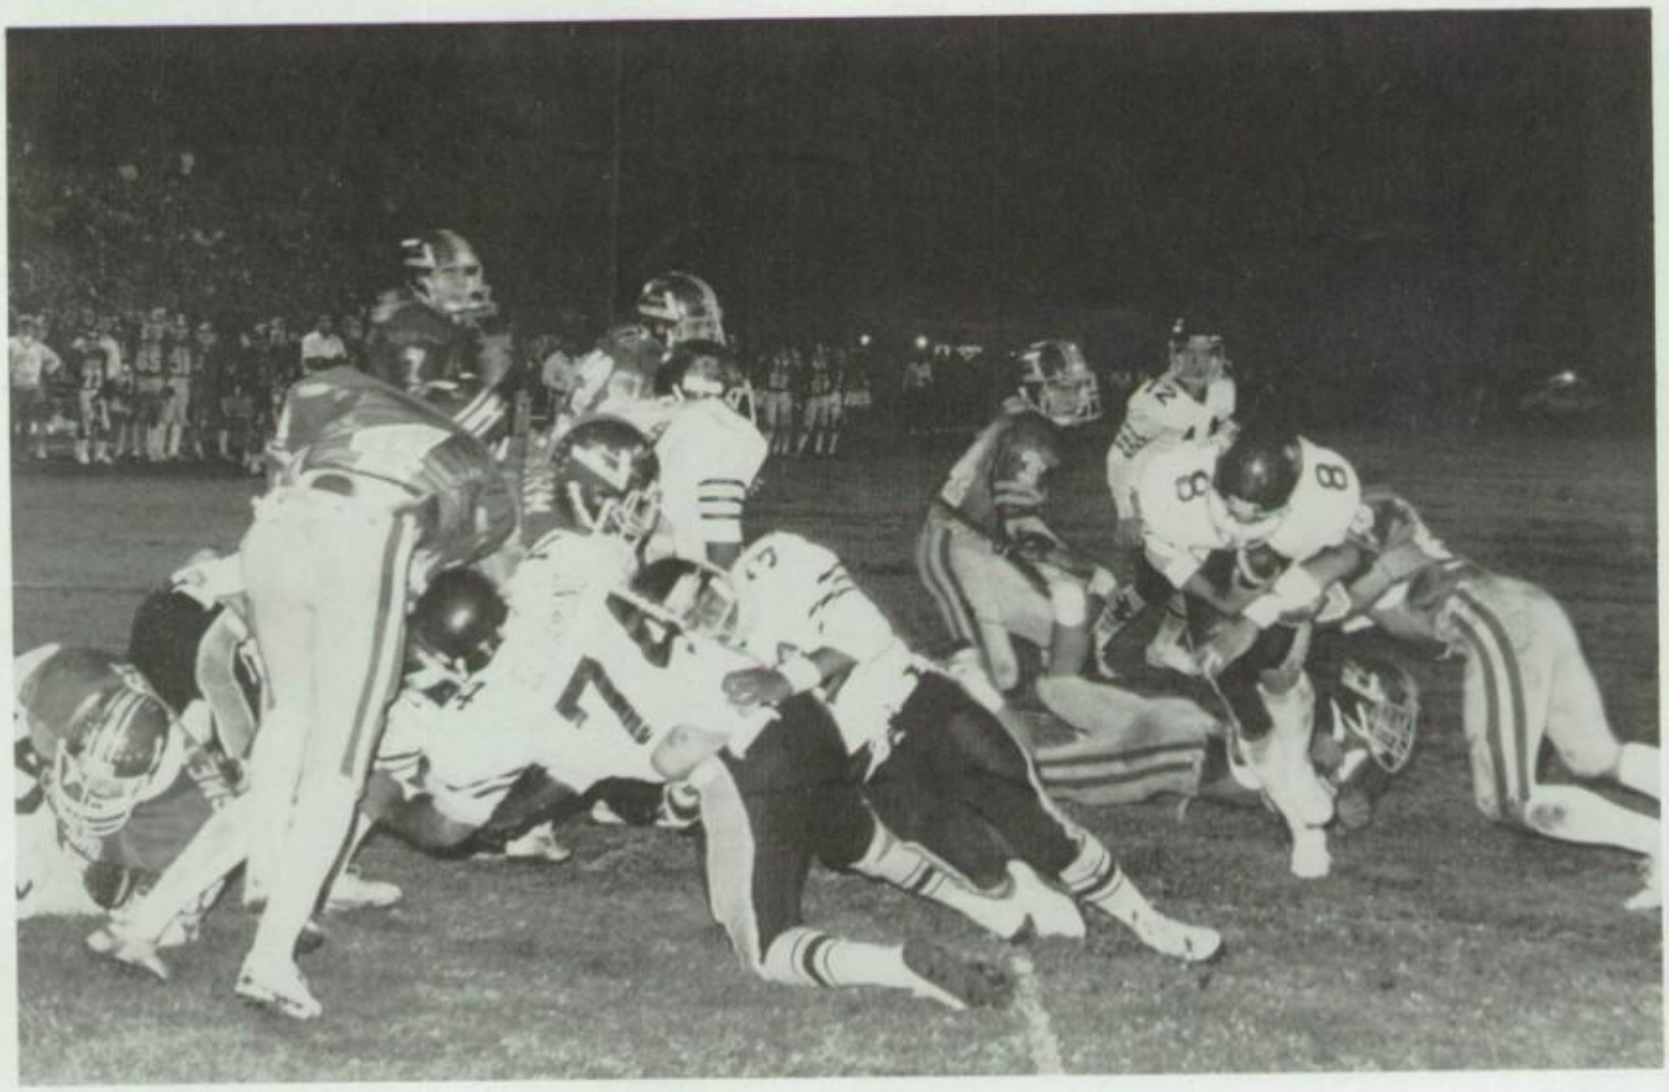
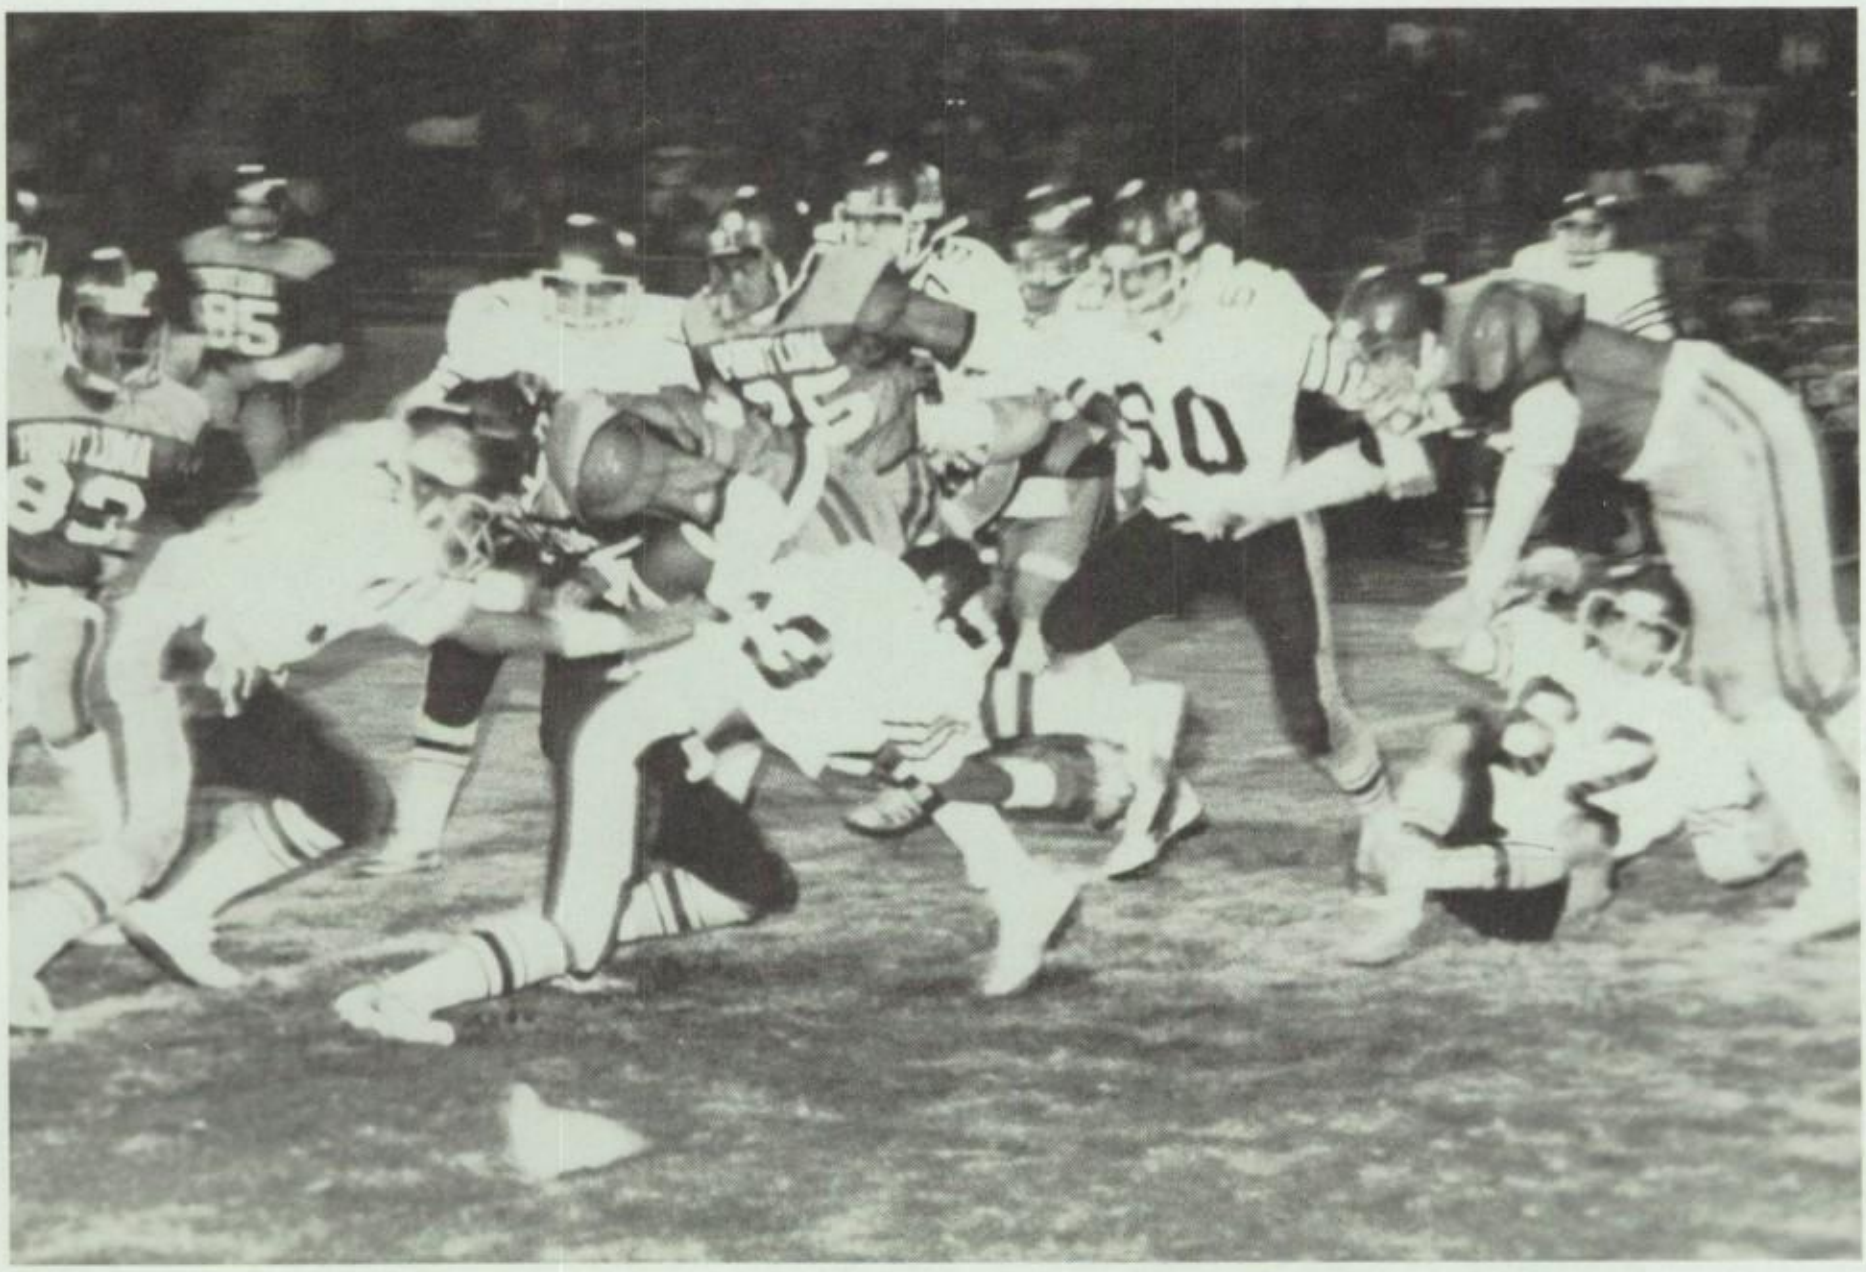
WILDCATS



GO UNDEFEATED



On December 3, 1982 at 7:45 p.m., at Mt. Carmel, The El Camino Wildcats Played the Pt. Loma Pointers for the C.I.F. Championship. Both teams were undefeated and had a very balanced offense and defense team.

The Wildcats came into the game with the #1 defense and were ready to put themselves to the test against a strong Pointer potent offense. As the game went on, Pt. Loma found that it wasn't easy to move the ball on the Cat's defense, and it showed with the Pointers fumbling the ball with Casey Malauulu recovering it. But the Wildcats offensive drive stalled and they were forced to punt.

The Wildcats defense seem to be attracted to the ball as they forced another turnover with Robert Turner intercepting a Robert Bennett pass. The game was hard hitting and defensive battle all night. But after a 0-0 score through 3 quarters Jr. Maeva came up with a another but crucial interception. As the Wildcats offense came on to the field they were determined to put it in the end zone. Leroy Lefiti showed some hard winning as the ran through many Pointer tacklers. Then after two offensive plays, Lafo Malauulu alertly caught a tipped pass and ran past the Pointer defense for a touchdown.

In the final minute, Pt. Loma scored, but missed the extra point which left the game at 6-6 and also ended the Championship with El Camino and Pt. Loma, Co-Champs.

On March 1st, the El Camino Wildcat Varsity Basketball team traveled to the San Diego Sports Arena. Despite the bad weather, the Wildcats were ready to play the La Jolla Vikings, for the CIF 2A Championship.

The Wildcats came into the game as the best team in North County. The Vikings came into the game with what you could have called a ***giant*** *team. The Wildcats played very aggresive with the starting line-up of, Harvey Boyer, Buddy Robinson, Tony Taylor, Sam Tuitasi, and Freddy Spears. With the fast breaking action of the Wildcats, the Vikings should have been worried, but they weren't. They pulled out to a 15 point advantage by halftime. Their points were scored mostly by freethrow shots and rebounds, the one thing El Camino lacked in this game. But after halftime El Camino didn't give up, they came storming back into the game. Even though they were never able to get themselves in a position to take the lead, they kept trying.*

With 3 minute, and 51 seconds left to play Freddie Spears sliced the Vikings lead down to six. But then the game went back and forth with La Jolla still in the lead. As time ran out La Jolla had captured the Victory with a score of 79-67. The Wildcats gave it their best shot. As coach Ray Johnson quoted, "Our result from this game was a credit to their defense. They worked real hard." Some teammates said "I'm going to remember this night, we gave it our best shot but we just came out empty handed." It wasn't such a bad night afterall, the Wildcats ended with 23-3 record, and this was the first time El Camino basketball team went to CIF and it won't be the last.

"TIME OUT . . .

On the nights of November 18, 19, and 20th our first drama production of the year was on its way. The main character was Ginger Carol, played by Debbie Roy, a freshman. Gingers parents were played by two seniors, Mike Thompson and Charlene Booher. The remaining cast consisted of Elaine Burn, Leslie Isbell, Ginger Morgan, Thomas Gomes, Clifford Downing, Danny Garrison and Ed Gonzales. The play was directed by Marvin Read.

Many people from the community showed to watch the excellent production of "Time out for Ginger." The play was a comedy, that took place in a middle-American small town, in the mid-1950's. The story was based on the idea of a girl playing high school football. This play was one that formed a bond of understanding within the family in the story. Time out for Ginger was a smashing hit!!!

ECHS Band Parades . . .

1

The ECHS Wildcat Marching Band and Pagentry Corps truly symbolized the theme of our yearbook, "Together As One". With 13 first place and 5 second place trophies under their belts, they were by far one of the top three band and pagentry corps in San Diego County. Not only did the group as one take first and second places in their competitions, there were individual talents recognized. John Falcon, the band's Drum Major, received a third place for Military Drum Major. The band was under the direction of Roger Olsen and the Drill Team was under the direction of Anne Allen.

. . . IT'S FRIDAY

Thank God It's Friday! Does it sound familiar? That was the cry of the students, glad to have a rest from all the homework. Most importantly it was the chance to be with your friends at the football games, watch the fabulous football team and cheerleaders cheering them on. Before you know it, that award winning band and pagentry corps was on the field strutting their stuff. As the band played, tall flags twirled their flags, and drill team did their routines. The football team was fired up and so was everyone else. As the Alma Mater was played everyone showed their dedication singing along. After congratulating the players, the field slowly emptied. All of a sudden all the cheers and claps weren't there. The memories lasted until the next Friday.

This year's ASB could be summed up in three words: productive, fun and interesting. The council, headed by President Curt Turner, succeeded in making this year a very fun and memorable year for the Wildcats.

The year was kicked off with Homecoming and ended with a bang with the airbands. Airband Contests were started by El Camino with other schools copying from us. Airbands will be an annual event because of its popularity with the students.

Magnólia Romos

Annette Jaaksaar

Katrin Saffran

Roland Bakker

Tamami Wada

This year we had five foreign exchange students at El Camino. The three students that remined at E.C.H.S. for the entire year were Roland Bakker from the Netherlands, Anette Jaaksaar from Sweden and Tamani Wada from Japan. Katrin Saffran returned to her home in Germany on December 9th. Magnolia Romos returned to her home in Brazil in' early January. Roland is our only male foreign exchange student. He seems to fit right in to the scenery with his blond hair and blue eyes. Anette is one of our two girls who stayed the entire year. At the beginning of the summer Anette will head home to Sweden. Tamani is our other girl who stayed the whole year and will return to Japan during the summer. Our foreign exchange students seemed very involved this past year, we hope they had a memorable experience.

El Camino Speech . . .

The Coach

. . . Team

This year, the Speech team was the best team in San Diego County. With the help of standouts such as Mary Stanton, who won the highest honor given to a speech student and Billy Gonzalez, the team went undefeated for the year. Alot of hard work and dedication went into preparing for each event. The expertise of Mr. Cliff Roche is much appreciated and was a definite factor in the team's success.
